

**Community Health Improvement Planning (CHIP) Meeting
Ogden, KS
February 24, 2015**

Summary of Health Priority “Dot Vote” Results

Priority	Votes
Transportation <ul style="list-style-type: none"> - Needs to be reliable, on time, affordable (\$8 for aTa) - Very complicated schedule - Taxis very expensive - No pick up/drop off at home without paperwork/ 24 hr notice - No mass transit - Need walking/ biking path to connect town/ to other areas ie Manhattan 	10
Health care needed in Ogden <ul style="list-style-type: none"> - Like K-Stat/ Family Practice - Would suggest at very minimum 1x a month - No immunization/ eye screening/ vision <ul style="list-style-type: none"> • Adults - Pharmacy service needed <ul style="list-style-type: none"> • No pharmacy - Affordable Health Center 	10
Better affordable housing	6
No fresh fruits and veggies when out of season <ul style="list-style-type: none"> - “Liberty Grocery Store” more like a big convenience store - Grocery store would be helpful 	5
Drugs	4
Clean water supply	4
Mother and Infant Care <ul style="list-style-type: none"> - Prenatal care for uninsured - Infant care 	4
Mental Health – treating	2
Need police presence	2
Lack of local jobs in Ogden	2
Trash, littering, clean environment, no recycling	2
Drinking	1
Cancer	
Diabetes	

Smoking	
Crossing the highway	
Getting into fights	
Opportunities to socialize	
Activities for children and youth (could help with drug problems?)	
No bike path connecting communities (see transportation section)	

***Some people had to leave early and weren't able to vote – their comments are noted above but might not have a vote associated with them.
